SDO - 042 - 02

CONSENT ORDER

Case No. 01-02-049

INTRODUCTION

The Securities Division, Department of Financial Institutions, State of Washington, and Respondent, Romio's Franchise Group, Inc., do hereby agree to this Consent Order in settlement of the matters alleged herein. Respondent neither admits nor denies the Tentative Findings of Fact and Conclusions of Law as set forth below.

TENTATIVE FINDINGS OF FACT

I.

Romio's Franchise Group, Inc., operating under the name "Romio's," is a Washington corporation with a principal place of business at 2001 West Dravus, Seattle, Washington 98199.

II.

Romio's Franchise Group, Inc. is a seller of franchises to operate pizza restaurants or outlets for the retail sale of pizza and other products such as pasta, salads, sandwiches and ethnic foods. Purchasers of Romio's Franchise Group, Inc. franchises are obligated to pay an initial franchise fee of \$15,000 (one half of this amount is payable as a deposit and the remainder payable upon execution of a franchise agreement). Franchisees are in return entitled to receive manuals and other information concerning operation of outlets, training in the operation of the business, use of Romio's Franchise

Group, Inc. names and marks, and exclusive rights to operate an outlet at a specific location and within a defined geographical area.

III.

Romio's Franchise Group, Inc. was registered with the Securities Division to offer and sell franchises in the State of Washington from January 26, 1999 to January 26, 2000 (Franchise Registration File No. F-03098, later renumbered 70012015) pursuant to Washington's Franchise Investment Protection Act, Ch. 19.100 RCW. In February of 1999, following the issuance of a franchise registration permit, Romio's Franchise Group, Inc. caused to be published an advertisement in the Seattle Times newspaper published in Seattle, Washington that had not been filed with the Securities Division prior to that publication. Romio's Franchise Group, Inc. did not subsequently renew its franchise registration following its expiration on January 26, 2000. Following the expiration of the franchise registration in Washington, Romio's Franchise Group, Inc. offered and sold three franchises for outlets to be located in the State of Washington.

IV.

Romio's Franchise Group, Inc. was not, and is not currently, registered with the Securities Division to offer or sell franchises in the State of Washington following the expiration of its previous franchise registration on January 26, 2000.

CONCLUSIONS OF LAW

I.

The offer and/or sale of the franchises of pizza outlets described in Tentative Findings of Fact I through III above constitutes the offer and/or sale of a franchise as defined in RCW 19.100.010(4).

II.

The offer and/or sale of the three franchises as described in Tentative Findings of Fact I through IV above was in violation of RCW 19.100.020, the registration requirement provision of the Franchise Investment Protection Act, because no franchise registration was in effect with the Administrator of Securities of the State of Washington nor permit issued to Respondent Romio's Franchise Group, Inc. to offer or sell franchises following the expiration of its previous franchise registration on January 26, 2000.

III.

Respondent Romio's Franchise Group, Inc. was in violation of RCW 19.100.100, the provision of the Franchise Investment Protection Act that provides that no person shall publish in this state any advertisements offering a franchise subject to the registration requirements of the Act unless a true copy of the advertisement has been filed with the Securities Division at least seven days prior to the publication or such shorter period as the Securities Division by rule or order may allow, as described in Tentative Findings of Fact I through III above, because it caused to be published an advertisement in a Washington newspaper an advertisement offering the franchise that had not been filed with the Securities Division prior to that publication.

ORDER AND CONSENT

Based on the premises of the foregoing:

IT IS THEREFORE AGREED AND ORDERED that Romio's Franchise Group, Inc., its employees and agents each shall refrain from the offer and sale of unregistered franchises in the State of Washington in violation of RCW19.100.020.
